1. Son of man, say to the angels and all the earth that I come, I come and I call like I have never come before. I come and I present Myself in the heavens and the earth. I present Myself to your hearts. I present myself in submission to you, your acceptance, for your evaluation and your judgment, for I come now.

2. I come in My evaluation and My judgment and I open up My heavens and I open up My heart to you individually, each one of you, every one of you, each and every one of you individually, and I come and I call forth with power. I call forth with healing in My wings. I call forth not destitute but delivering deliverance, delivering deliverance, delivering deliverance into the reality of knowing Me fully for who I am and what I have done and what I am doing.

3. My blood, My water, My river, rivers of living water flowing from the throne now to you, My Mine who will receive Me; who will stand and as the Son of Man speaks, speak His words—proclaiming throughout all the earth and more, that I am and that I Am has come, I Am is here, I Am has never left.

And I am the life, I am the life and there is no life without Me. There is only form and void and darkness and the Spirit hovering over that which remains, awaiting My commands. I love you. I give you Me.

4. Now power forth My people and never wonder again if you have My words. Stand strong, you will never be the same again. You will stand and speak and the things I told you laying in bed are true between Me and you, son of man, son of song, son of My words, My statute not, but flowing freely, freely, in and through My body, to nourish, to wash, to cleanse, to bring healing, rectification, cleansing, deliverance, honor—foundationed on the rock, the rock Christ Jesus, Me, the Spirit, us, one—one-ing now all who will. I love you.

5. Never the same again. No fear, no trepidation, no angst, no panic, no anxiety, waiting at times, standing, declaring forth My glory, My glory, My glory. I love you.

6. The glory comes in magnanimous measure and you will deliver, you will deliver it, you will deliver Me, you will deliver My people, and many will envy. But I have known where you have been, I know where you have gone, and I have known how you treaded fearlessly into Me; but you will teach and you will trial and you will toughen increasingly to be able to walk with the tender, and the tender-not, crushing neither and being not crushed, but standing strong in the power of My word. I love you.

7. Nothing comes against you now, nothing successfully. **Me, Me'd, Me'd. You have My picture—My mission your mission, you've got it! Me'd.** I sent you into the earth Me'd. I called you to My people Me'd. I deliver you to the chambers of greatness and power and prowess now, Me'd, and I take you to the dirt-floored, the poverty-ridden, the destitute, Me'd.

I take you now and I encompass you. I over-arch you, I undergird you, I place My arms around you and I give you Me. Me'd you are and Me'd you will be, delivering Me to My people, delivering My people to Me, delivering My people from destitution and deprivation into knowing Me in power, power—My presence real, tangible, seen, visible—My river of life flowing through their life abundanced.

8. Fearlessly treading on scorpions and snakes and on the power of the enemy you are, including mammon, and teaching many to bow, and in doing so making them all bow, all the snakes, all the scorpions, and mammon, before those who will be Me'd. I love you, I give you Me. I give you power. I give you healing, I give you Me.

9. Rescue the perishing—see Me. Rescue the angelic—be Me. The sincere, the ignorant, the downtrodden—be Me. See Me, hear Me, feel Me, become Me, teach My words, read My words often.

10. (laughter) Do for My body what you did for WeekWorks. My picture Ted, My picture arising, My design on your design, My design on your design, your design coming forth fully, My design, My mission your mission, never wondering again, lifted, arisen permanently. Jeremiah, Ezekiel, Daniel, Hosea, yes, Me. I love you. Paul, John, mightier than thou comes. I love you.

11. My body arises through My Me'd ones now who come in serious fun, to be empowered and set free, and know who they are in the fullness of Me—the priesthood of all believers, the power plants, nuclear and more, for Me, so much more beyond. I love you.

12. Now arise with healing in your wings and heal them all in your path. Today is the day, May 30, 2004, 1:00 a.m. your time. Arise, Me'd to the core, never doubting again, never questioned again by your own mind. Circumstance-rending power I give you, Me'd. Me-ing My people I am.

13. You have stood, you will stand, I stand, we stand, My body stands now, today, May, June, Mine, the priesthood of all believers arises and comes forth, and you will bring the Dots and the deliverers, the disciples who want to be Me'd, powering them with My power, honoring them in graciousness, washing their feet. I love you. I love you. I love you for being Me.

14. Your picture is so clear, so clear, who you are and where you are going. Son of man, say to the four corners of the earth: come, fulfill your destiny, fulfill your divine potential in Me, the maximum beyond what your imagination can produce, globalized in the Kingdom of Heaven on earth, operating in the fullness of the power of the kingdom, darkness-wrenching, destitute-crushing river of life, flowing, now. Come, painting Me to all.

15. A good night, a good day, a good life, a good June. August comes, I am there. I arise, prepare, 30 come, 2 come, I come. You will know the thirty, you will know the two, you already know Me, and there I will be. The doors no more. Thirty, Me. I love you and declare forth My glory and grace.

16. Never question again son of man—call Me forth, stand, call Me forth before My people, worry not, cling to no one and no one's applause. Me, Me'd permanently, everlastingly Mine. I love you. Thank you for going where no man has gone—going, going, gone.

17. You step, you leap, you have crossed, I embrace, I delight, I hug, I kiss, I embrace, I reward, I Am. I thank you. Be Me and let Me flow. I will flow to the nations and give you the nations for your inheritance and bow before Me they will, giving honor to My name. I thank you.

18. Son of man call to the four winds, and the four points, the four corners, the four posts, the foundations of the earth, rotating on My axis, in My hand—call forth and create in the authority I have given you, issued to you and the body, The body, My body, My priesthood of all believers. Now teach, train, and set free. You are, I am. I thank you.

19. Now today I blow, I told you I would. (whewww!!) You passed, I give you an "A," My way. (wheww!) (wheww) (wheww!!) Cosmic Cowboy'd! (whewwwwww!!!). Thank you for lifting My little people, even the ones that don't smell very good, don't look very good, and haven't a clue what to do next. I embrace the spectrum of My body.

20. I come, I call, I affirm, and I confirm that this day I have spoken. I have spoken and My name is I Am. And I recant not, and I reverse not these words. All of you will see I have overcome the world. Greater is He, Me, in you, Me'd, than he—all adversarily—in the world. Thank you.

21. **Teach, train, mentor, disciple, glorify, and graduate Me'd—you've got the picture so clearly, so clearly**, 800 pages and growing exponentially—**My curriculum, My words, My desires, My design, My values, My Me'd coming forth in the all five'd, priesthood of all believers, bread and wining every one, anointing each one, forgiving sins, operating as Me, My body, one**, powerfully, powerfully, all power manifested in My body—generation stations, individually, each one, massively coming forth, massively parallel in series, congruent, simultaneous, in order. I love you.

Generation stations of Me only—mobile, interplanetary—wait and see, watch Me. Limit Me not in any way, shape, form, or fashion. Let Me be Me.

22. Now never question again the word of My power, the power of My word—what I have spoken and what I will do, what I have done, and what you will see—never the same again. Thank you.

Me, Me-ing you, having Me'd you,
Me.
Amen
